

# Holiday 2023

## WINEMAKER NOTES

Holiday is an annual red blend release from Lost Oak Winery. It is generally made in a more fruit forward style to complement any holiday meal, from Thanksgiving to New Year's Eve or to share when simply enjoying time with family and friends.

## TASTING NOTES

This Holiday red blend has a color reminiscent of dark plums, a perfect centerpiece for any festive occasion. Aromas of cranberry, black currant, and a hint of spice balance soft vanilla. The flavors are welcoming with notes of blackberry, boysenberry, and a touch of spiced fig. The finish lingers with notes of sugar plum and holiday warmth.
