

# White Holiday 2023

## WINEMAKER NOTES

White Holiday is the perfect complement to our annual red Holiday. Like its red counterpart, White Holiday is made in a more fruit forward style. It complements any holiday meal, from Thanksgiving to New Year's Eve or simply enjoy with family and friends.

Gewürztraminer is the perfect varietal to use for our white holiday. It effortlessly creates the perfect balance of crisp with a touch of sweetness making it a welcome addition to your holiday table.

## TASTING NOTES

The White Holiday has the color of twinkling white Christmas lights. Subtel aromas of paperwhite flowers and gingerbread. Flavors of clove mingle with honey, ginger, and spiced pears.

The holiday magic finishes with hints of lychee, wintergreen, and candied tangerine.
